Re: Notice of Completion of Small Mining Activities, Umetco Minerals Corporation,
Petrified Tree #8 Project, S/019/033, Grand County, Utah

Dear Mr. Venticinqu:

Thank you for forwarding a copy of your file closeout letter of May 25, 1995, regarding the successful completion of reclamation activities on Umetco Minerals Corporation's Petrified Tree #8 small mine project, located in the NE/4 of Section 34, and the SE/4 of Section 27, T24S, R25E, Grand County, Utah. Your agency's designated project number is **UTU-69804**. Your letter satisfies the notice requirements of Rule R647-2 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated, 1953.

As this project is located on BLM managed lands, the Division will accept the BLM's recommendation and will also close out this file and release Umetco from any further reclamation responsibilities at this site. Thank you for your assistance in this matter.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
